Elevate Desktop Application
Makes Collaboration Easier than Ever

ALL-IN-ONE	INFORMATIVE	EFFICIENT
Place a call, send chats and texts, share a file and start a video conference – all from one application	See who is available, out of the office, or already on a call	Quickly find and connect with available co-workers and customers to get more done

THE ELEVATE DESKTOP APP

Our desktop app brings essential collaboration tools together, making teamwork easier than ever. See who is available, send and receive chats and text messages, place and receive calls, share screens, start video calls and share files—all from one application. Available as a downloadable application for PC or Mac®.

COMMUNICATE YOUR WAY

Have the flexibility to use your desktop application to place and receive calls in two ways, either as a call controller for your associated desk phone or as a softphone from your PC or Mac®.

ONE APPLICATION FOR COLLABORATION

One place to see the availability of coworkers, place a phone call, start team chat and launch a video conference.

STAY CONNECTED ON-THE-GO

With the Elevate Desktop and Mobile Applications, you take your contacts, files and conversations with you—wherever you are.
